## Understanding Your Benefits

<b>Elimination Period</b>	The number of days you must be disabled prior to collecting disability benefits.
<b>Own Occupation</b>	The business, trade, or profession you were employed in prior to your disability.
<b>Total Disability</b>	Due to an injury or illness, you are unable to perform with reasonable continuity the Substantial and Material Acts necessary in your own occupation. Your "own" occupation is covered for a specific period of time. Following this, the definition of total disability becomes the inability to engage with reasonable continuity in any occupation for which you are reasonably suited based on your age, education, training, experience, station in life and physical and mental capacity. See Certificate of Coverage for details.
<b>Partial Disability</b>	Due to an injury or illness, you are unable to earn 80% or more of your income and you are not Totally Disabled. During the first 24 months of Partial Disability benefits, you may earn up to 100% of your income from your partial earnings, other sources of income and your disability benefit. See Certificate of Coverage for details.
<b>Continuation of Disability</b>	If you return to work full-time but become disabled from the same disability within 6 months of returning to work, you will begin receiving benefits again immediately with no new Elimination Period.
<b>Benefit Duration Reduction</b>	Your benefit duration may be reduced if you become disabled after age 65.
<b>Pre-Existing Condition</b>	Any sickness or injury for which you received medical treatment, consultation, care, or services (including diagnostic measures or the taking of prescribed medications) during the specified months prior to your coverage effective date. A disability arising from any such sickness or injury will be covered only if it begins after you have performed your regular occupation on a full-time basis for the specified months following the coverage effective date.
<b>Benefit Exclusions</b>	<p>You will not receive benefits in the following circumstances:</p> <ul style="list-style-type: none"><li>• Your disability is the result of a self-inflicted injury.</li><li>• You are not under the regular care of a doctor when requesting disability benefits.</li><li>• You were involved in a felony commission, act of war, or participation in a riot.</li><li>• You were residing outside of the United States or Canada for more than 12 consecutive months for purposes other than employment with your Employer.</li></ul>
<b>Benefit Reductions</b>	<p>Your benefits may be reduced if you are receiving benefits from any of the following sources:</p> <ul style="list-style-type: none"><li>• Any compulsory benefit act or law (such as state disability plans);</li><li>• Any governmental retirement system earned as a result of working for the current policyholder;</li><li>• Any disability or retirement benefit received under a retirement plan;</li><li>• Any Social Security, or similar plan or act, benefits;</li><li>• Earnings from any form of employment;</li><li>• Workers compensation;</li><li>• Salary continuance or employer contributions to an employer sponsored retirement plan.</li></ul>
